

PRINCIPAL'S MESSAGE

Hello DLC Families,

We have had a fantastic start to the school year. Our staff have enjoyed getting to know all of you. Our hearts are filled with gratitude that you decided to spend this year with us at the DLC. By now, routines have been established in each class with synchronous meetings, work posted in Seesaw/Google Classroom, and regular connections with staff via phone and/or email. We hope you have appointed a **Learning Mentor** for your child as well. This will ensure that work is completed on a daily basis. Please know that we are always available if you have questions about school work, upcoming events, or just need some additional support. We strive to **Build Bridges and Make Connections** with all of our families. At the DLC, all students and families belong.

Some tips to keep your home learning on track include:

- Create a learning space free of clutter.
- Set and maintain a daily schedule, including morning and bedtime routines.
- Make time for movement and outdoor time.
- Create a reward system if necessary.
- Provide opportunities for choice.
- Accept that your child may struggle when learning a new concept.
- Connect with the teacher regularly.
- Be patient and have fun.

Carrie Grant-Walker, Principal

Be the reason someone smiles today!

GRADES 1-8

There are lots of fun things happening in our grades 1-8 virtual classrooms. Teachers are offering synchronous learning in a variety of ways. As well, there are a lot of 1-on-1 sessions taking place. Connecting with students virtually provides teachers with important information for their planning. Thank you to all of the parents/guardians for supporting this work in your home.

Tips for Supporting Literacy at Home

Young Children

- Read books & nursery rhymes aloud together
- Talk daily about home & community life
- Sing, draw, and tell stories

Older Children

- Play word games
- Discuss word meanings
- Point out interesting or unfamiliar words
- Ask questions before, during, and after reading

Adolescents

- Talk about learning & connect to school
- Offer a literacy rich environment
- Model reading & writing

EDSBY INFORMATION

To access the gradebook and manage your notifications, please log into your Edsby account. Need Help: Check out the videos available on

<https://www.edsby.com/support/?locale=en>

Parents: Using the Edsby App will ensure that you receive notifications about your child's progress, and you will be able to access all of your children's information in one spot!

Students: Use the App to check out any groups you may have been invited to. For example: All students who are eligible to graduate have been invited to a Grad 2022 group. There are announcements about post-secondary schooling options posted there on a regular basis. As well, once we start planning Grad, those updates will be there too! Use the calendar to help you organize your time. All kinds of features so be sure to check it out!

Please note that students and families will see their previous school on their Edsby dashboard for this year. Be sure to click on the SRPSD Distance Learning Centre to get information related to your current schooling arrangement.

WACKY WEDNESDAY

DEFYING GRAVITY

October's spirit day is Wednesday, October 6. The theme is, **Defying Gravity**

Students need a minimum of one balloon. They can use two or three or more for a bigger challenge. Using only one hand, they must keep their balloon up in the air for one minute. Up and away! If one balloon is too easy add two balloons or more.

Send a picture or video of your adventure to DLStaff@srsd119.ca for a chance to win a prize.

HIGH SCHOOL INFORMATION

We are half way through Quad 1 and the teachers are pleased with the progress of our engaged students. Well done DLCers!! There are a few reminders below:

- **Grade 10s:** Students are now earning credits toward graduation. This means that you must complete all of the outcomes in each course you take and achieve a minimum of 50% to earn a credit. Each student requires 24 credits to graduate.
- **Timetables:** Please check out Edsby to view your list of classes for the year. You will see a Q1, Q2, Q3, Q4 beside each one. This indicates which Quad you have each class in. If you wish to make changes to your classes, please speak to Mrs. Grant-Walker as soon as possible. At the end of each Quad, credit checks will be completed again to ensure that students have earned the required pre-requisites for upcoming classes.
- **Graduation 2022:** Students on track to graduate have been added to the Grad 2022 list. Please remember that this is based on earning the required number of credits for graduation. Please check out the Grad group on Edsby for information about post-secondary options and awards. Work hard to ensure you stay on the list!
- **Crazy for Credits Presentation:** On October 20 @ 6:30 pm, you are invited to a presentation that reviews graduation requirements and some things to think about for post-secondary schooling. Please join us via zoom by clicking the following link: <https://bit.ly/3kEEYHR>
- **SRSC:** We have two DLC representatives on the executive for the *Saskatchewan Rivers Students for Change* organization. Congratulations to Ella McBride (gr. 10) who is serving in the role as Secretary, and to Rebecca Grimard (gr. 11) who is in charge of Media Relations. Great job!

STUDENT SUPPORT

School Mentor:

Miss Fremont is at the DLC on Mondays, Wednesdays, and alternating Fridays

School Social Workers:

Mrs. Lloyd is at the DLC on Tuesday mornings.

Mrs. Spigott is at the DLC on Thursday mornings.

Please reach out if you would like to connect with our School Mentor or School Social Workers.
