PRINCIPAL'S MESSAGE

Dear DLC Families,

April has arrived and that means spring really is around the corner! Spring is one of my favourite seasons. The word that comes to mind when I think of spring is renewal and the opportunity to grow. Quad 4 will be here very soon and with that students will get another opportunity to renew and grow just like spring!

With Quad 4 arriving soon, please take some time to check your students' Quad 3 progress and reach out to teachers if you have any questions.

One of the key items we are working on right now is ensuring that students and families have thought about their school of choice for next year and have communicated that choice to us by April 6th. Please know we will be reaching out this week to families to support you in making a choice that works for students and their families. If you would like to transition to another school for Block 5 in May that can still be arranged. Please send me an email at jcross@srsd119.ca and I can help you with that.

Lastly, we will hold a graduation meeting for potential graduates on Wednesday, April 5th at 12:00 pm in the Edsby graduation group. Please encourage your potential graduate to get into that group where important grad information is posted and to attend that meeting.

Looking forward to connecting with each of you over the next few months to support the transition of students and to honor and celebrate all that the DLC has been for students and staff!

Take care,
Jenna Cross

SCHOOL SELECTION

As you know the DLC will no longer be able to operate next year. As such, we are trying to find out from you where your student will be attending next year so that we can support the transition for the student and ensure all their records are sent to their new school. There is lots of information in the March newsletter as well as on the Saskatchewan Rivers School website to help you and your student choose what school to attend. If you require some assistance to clarify information about the school choices or what school might be a best fit for your student and their needs please feel free to give me a call at 306-953-5839 or email me at jcross@srsd119.ca and I would be happy to help you figure that out.

Please complete our [School Choice Form](#) with your school choice when you have a decision made.

If you would like your student to transfer to their new school in Block 5 (Start of May) please let me know and we can support you in that as well.

RETURNING DLC ITEMS

Can you believe there are only three more months of school and then it's summer?!?!
This is a reminder to start thinking about returning items signed out from the DLC. If you are finished up with a textbook or tech device you can return them to the DLC office any time between now and the end of the school year.
