PRINCIPAL'S MESSAGE

Dear DLC Families,

It is hard to believe it is already May! Spring has now arrived and we are enjoying the sunshine! I highly encourage you to get outside and enjoy the time that we have with such nice warm weather!

We have just wrapped up Quad 3 and started Quad 4. Report cards will go out this week so please take some time to check Edsby and engage in conversation with your student about their progress and what they need to accomplish through Quad 4 to reach their goals. If you have any questions or concerns, please reach out to me or your student's teachers. We are now nearing the end of week two in Quad 4. It is a good time to also check with students to see what classes they are currently taking and what they are learning. This check in helps guide students to know that we care and are interested in their learning journey!

This is a time of excitement as the end of year gets closer and we celebrate the achievements of all of our students and the SRPSD Distance Learning Centre through the past three years. Stay tuned through the next month as we share with you our plans to celebrate the DLC and our graduates. Although celebration is in sight, I encourage all students to continue to engage in learning and finish this year strong!

With that, have a wonderful May!

Jenna Cross
